laude, George Washington University,
2004*

James P. Bayot

*Director, Governmental Issues**

James Bayot assists the firm's climate change and public policy practice through Congressional monitoring, reporting, analysis, and advocacy on energy, environment, transportation, and agriculture issues.

Mr. Bayot also provides Congressional monitoring, reporting, analysis, and advocacy for the world's largest health care services company.

Professional Background

Prior to joining Van Ness Feldman, Mr. Bayot worked for *Congressional Quarterly* where he was responsible for editing online publications, writing summaries of House legislation, and conducting research for staff writers.
