Van Ness Feldman Named 1st Tier Energy Regulatory Firm by *The Legal 500, United States, 2015*

Washington, DC and Seattle, WA – For the fourth year in a row, *The Legal 500 United States, 2015*, recognized Van Ness Feldman as a national leader in Energy Regulatory law. The firm is again one of only two, “Top Tier” Energy Regulatory law firms to be recognized in the US.

Highlighting the firm’s work in the electric, hydroelectric, and gas areas, the publication describes Van Ness Feldman as “*creative and delivers better-reasoned and written product than most other firms in the market*” and having “*politically savvy and strategically astute lawyers.*” The firm was also recognized among the top firms in the Environment: Transaction & Regulatory area for a fourth time, citing the firm as being “*experienced in GHG, ESA, CWA, NEPA and CAA issues and having a large climate change and emissions trading practice.*”

Legal 500 noted the work of 8 individual attorneys in the energy and environmental practice areas. Additional information is available at <http://www.legal500.com/firms/52449/54643>.
