LILLY F. SCOTT
DIRECTOR, GOVERNMENTAL ISSUES

Professional Background

Lilly is an experienced public policy professional providing strategic advice and representation for a variety of federal legislative and regulatory matters. Her portfolio includes clean energy, environmental, natural resources, and energy sector cybersecurity matters. She also monitors actions and emerging issues on Capitol Hill.

Before joining the firm, Lilly worked for the American Continental Group, where she helped represent high profile clients including 7-Eleven, Goldman Sachs, CVS Pharmacy, Comcast, the U.S. Anti-Doping Agency, and various coalitions and associations. She also was a legal fellow on the Senate Health, Education, Labor, and Pensions Committee, where she set the foundation for staff contacts on Capitol Hill.

Representative Experience

- Reports on Congressional hearings and briefings for the firm’s clients across various sectors
- Monitors and analyzes federal legislation, regulations, elections, and political trends on behalf of the firm’s clients and practice groups
- Advocates for federal policy solutions before Members of Congress and their Staff

Government Service

Senate Health, Education, Labor and Pensions (HELP) Committee

Legal Fellow, 2017

Office of Governor Charlie Baker, Office of Legislative Affairs

Legal Fellow, 2016
