George Mason University

TIFFANY GANTHIER
DIRECTOR, GOVERNMENTAL ISSUES

Professional Background

Tiffany Ganthier is an experienced public policy professional providing strategic advice and representation on local, state & federal legislative and regulatory issues. Her portfolio includes matters relating to federal energy, environmental and climate change policy. She also assists clients with federal appropriations matters, monitors major actions and emerging issues on Capitol Hill and represents the firm's coalition clients in the development and advocacy of policy solutions.

Before joining Van Ness Feldman, Tiffany worked at the Georgetown Climate Center as an Institute Associate, providing legal and policy analysis on adaptation projects at the federal, state, and local levels and leading the center's work on equitable climate adaptation and environmental justice issues. She holds a Juris Doctor degree from Howard University School of Law and a Bachelor of Arts degree from George Mason University in Government and International Politics with a focus on American Government.

Representative Experience

- Provides strategic advice on federal legislative matters
- Monitors and analyzes federal legislation, regulations, elections, and political trends on behalf of the firm's clients and practice groups
- Advocates for federal policy solutions before Members of Congress and their Staff
- Reports on Congressional hearings and briefings for the firm's clients across various sectors
- Provides support on environmental justice and equity issues
